DEATH OF MRS. ABI
GAIL BURKHOLDER

Mrs. Abigail Burkholder died at her old home in Pettisville last Friday night about midnight. She was born December 28th, 1840, in Coshocton county, Ohio, and was at the time of the subject, and to confer with the committee appointed in the inception of the project. This is a matter that belongs to the people of the county, and we would be glad to see a re-awakening of interest in reference to it. A mite contributed by each one of the twenty thousand inhabitants of the county would complete the monument. It would be an ornament to the town, and something very pathetic would attach to the interest and pride in it felt by every contributor. It certainly is a mortifying and humiliating reflection to her citizens, that Fulton county, standing perhaps first among the newer counties of the state, in intelligence, public spirit, and christian morality, lacks the patriotic enterprise to

Mrs. Abigail Burkholder died at her old home in Pettisville last Friday night about midnight. She was born December 28th, 1840, in Coshocton county, Ohio, and was at the time of her death 73 years and 26 days old. She was married October 15th, 1863, to Daniel Burkholder. To him she proved an able helpmate until death severed their union by taking the husband October 4th, 1907.

There were ten children born to them, four of whom nave died. Those living are, Eli Burkholder, of Wauston; Otto, of Mentor; Alfred, of Cleveland; Celia, of Pettisville; Mrs. Ida Turney, of Toledo, and Andrew, whose location at present is unknown. One brother Andrew Krieger, of Delality, lacks the patriotic enterprise to complete the monument intended to symbolize her glowing memory and love for the brave men, who, counting neither pang nor cost, gave up ease, home, friends, every sweet and tender tie, and yielded up their lives for the honor of the dear old flag, for freedom and the preservation of the government. The Ohio State Association of
School Board members has, through
its executive committee, sent out a
call to school board members and superintendents to attend the 17th annual meeting, to be held in Columbus, January 29th and 30th. The
principle topic for consideration will
be the radical changes in the school
code proposed by the survey commission and the governor. As indicative of the spirit and purpose of
this meeting we print the following
extracts from the call:
